# How our pricelist works

Here is a guide to our pricelist, what each column is, what the various symbols mean. In order to demonstrate this, it must be stressed that the diagram is fake, does not reflect the true state of affairs, and has just been cobbled together to show all possible items in one place.

If you sell *MW* pre-packs at the indicated RSP the mark-up is 40%, giving a Profit On Return (P.O.R.) of 28.57% (all *MW* pre-packs can be supplied priced or unpriced, your choice). We can however, price your *MW* pre-packs to any mark-up you wish, just tell us before we take your order.

**A**n overdue update, I'll admit, but until now there hasn't been a lot of activity in this department. A bit of range rationalisation and a few price increases prompts this new list.

**A**s always, if you want me to pop 'round for a natter or suchlike just give me a ring on 0789 187 9294

## TERMS OF TRADE

### Prices

Prices are correct at time of going to press, but due to market and currency fluctuations all prices are subject to change without notice. Customers placing their orders by 'phone will be informed of price changes (up or down), and any changes *since the last published price list* will be indicated on the invoice by prefacing the product description with either "UP!" or "DOWN!"

### Payment

Payment for goods is due on delivery unless otherwise agreed. No deductions may be made from payment for an invoice unless a credit note has been received. In the event of a cheque being represented, a charge of £10 will be made for each representation. Cheques returned to us will incur a further £10 charge and all future business will be conducted on a strictly **CASH** basis. We can now accept credit/debit card payments. Credit cards will incur a 2.5% charge.

Credit account customers' terms are 30 days strict from date of invoice, unless otherwise stated. Should the Customer not remit within the stated credit terms, the Company reserves the right to remove the credit status on the account, rendering all invoices as being due and immediately payable. In the event of the Company having to employ the services of our appointed legal agents, CRS Legal to collect any overdue monies, the Company in addition to its statutory rights, will invoice the customer an amount of 10% of any overdue balance sent for collection. Interest will be charged at 8% over Bank of England Base Rate.

Customers who choose to order goods, take delivery and not be available to sign the delivery note agree to take responsibility for payment in full of the invoice unless any shortages prove to be the fault of Michaels Wholesale Foods Ltd, when a credit note will be issued.

Where delivery is to be made by instalments, each delivery shall be deemed for such purpose to be the subject of a separate contract and any failure whatsoever by the seller in respect of any one delivery shall not entitle the buyer to repudiate the contract or any instalments remaining to be delivered thereunder.

  - c) may give information about you and your indebtedness to the following:
    - a. our or their insurers for underwriting and claims purposes;
    - b. any guarantor or indemnifier of your or our obligations to enable them assess such obligations;
    - c. their bankers or any advisers acting on their behalf;
    - d. any business to whom your indebtedness or our arrangements with our financiers may be transferred – to facilitate such transfer;

You also have a right to receive a copy of certain information they hold about you if you apply to them in writing. However, a fee will be payable.

### Discounts

A discount is offered to those customers who pay the driver on delivery. **Otherwise prices are nett.** Discount will not apply to orders falling below the minimum order threshold for your area

3% discount on orders over	£125
4% discount on orders over	£300
5% discount on orders over	£600
6% discount on orders over	£1,000

Any five (5) cases of a single bulk item qualifies for **10%** discount (nett)

Any account that falls into arrears will be put on hold, and discounts on any outstanding invoice(s) will be lost.

### London Congestion Charge

Deliveries into the London Congestion Charge area will be made by courier, with the delivery charge passed on to the customer at cost.

### Fitness For Purpose

It is the customer's responsibility to ensure that the goods being purchased are fit for their intended use – Michaels Wholesale Foods Ltd will accept no responsibility for goods purchased unchecked.

### Completion of Customer's Paperwork

Michael's Wholesale Foods Ltd will supply ingredient listings, product specifications and certificates of analysis upon request as required by UK food law. If a customer requires completion of their own documentation then an administration fee of £50.00 per product line will be levied.

### Returns

Should there be any problems regarding the quality of goods supplied, please advise our sales office within 3 days of delivery so that we can authorise collection for credit as applicable.

Likewise, **any** shortages must be advised within 3 days of delivery.

Incorrectly delivered items may be returned with the driver, who will issue a goods returned note as a receipt – No deduction should be made from the invoice as a credit note (that correctly takes into account the appropriate level of discount) will be issued once the goods are received at our warehouse.

**Items returned without good cause will be accepted with a handling charge of 10%, and, (if pre-packs), our packing and labelling cost (Circa 25-30p per bag)**

**We cannot give credits for goods not returned to us. We will not give credit for returned goods that are price-marked or defaced. Our drivers will not collect goods without authorisation.**

**Special orders are NON-RETURNABLE**

### Out of Stocks

All orders are accepted subject to availability. We do not notify of goods out of stock unless a specific request is made, with over 10,000 product lines it's difficult (verging on impossible) to keep on top of all of them. If you request to be notified of any shortages, we can phone, once your order is picked and ready for loading. i.e. late afternoon of the day before your delivery. We do not back-order shortages, they must be re-ordered and will be subject to the normal minimum order requirements for free delivery. No liability is accepted for losses incurred due to non-delivery of any item(s) for any reason.

### Minimum Orders

We operate a **minimum** order system for free delivery, by area. Please refer to the map overleaf for details. Orders within our delivery area falling below the threshold will, at our discretion, incur a delivery charge of 10% of the minimum order charge for that area, or be sent by carrier (charged at cost).

TO SIMPLIFY MATTERS REGARDING MINIMUM ORDER LEVELS WE NOW WORK BY POSTCODE, THE FIRST LETTER(S) OF YOUR POSTCODE WILL DETERMINE YOUR MINIMUM ORDER FOR FREE DELIVERY

### Split Cases

We will happily split cases at no extra charge, **in the following manner only**; cases of 20 or more – splits of halves or quarters, cases of 15 – splits of thirds, cases of 10 or 12 – half cases only. **Splits of other quantities will be subject to a swingeing 20% surcharge!**  
We cannot split cases of special order items.

### Office Hours

Our Sales Office is open from 8.30 a.m. to 4.00 p.m. Monday to Thursday, and 8.30 a.m. to 1.00 p.m. Friday. Outside these hours you can fax us on 01843 604603. Sometimes, due to sheer number of calls, we can't answer all of them; you will then get the dreaded machine – **only** leave your name and number or a brief message. Even with the advances in technology, it's still not clear enough to dictate an order to.

### Care & Storage of Food

General rule of thumb for all our products: keep in a cool, dry place, not in direct contact with the floor. Use oldest stock first.

**Grains & Grain Products** are susceptible to infestation and are best bought regularly, but if stored well can be kept up to a year.

**Nuts and Seeds** need to be kept cold, as they can suffer from infestation and rancidity. Brazils, Cashews, Coconut, Pinenuts and all roasted nuts should be kept airtight.

**Dried Fruit** normally stores well for up to 6 months, but the fruit sugars are liable to crystallise, particularly in Figs. The fruit is still perfectly useable when this occurs. Keep fruit dry, as moisture encourages fermentation.

**Oil** tends to go cloudy when cold, especially Olive Oil. This will clear when returned to normal room temperatures.

**Honey** is the one foodstuff on the planet that does not spoil with age. Stocks should still be rotated, as it crystallises and hardens after a few months.

**Infestation** If infestation occurs, immediately place the goods in a deep freeze for 7 days. This will kill the infestation and prevent contamination of other goods. Should more general infestation occur on your premises we advise immediate consultation with a specialist pest control agency.
